INFORMATION ABOUT NEWARK PENN STATION SHUTTLE SERVICE

The shuttle **DOES NOT** make scheduled trips to pick up guests from Newark Penn Station. Guests must contact the hotel at (973) 622-1000 once they are at Newark Penn Station if they require a pick up. The next available shuttle will be sent upon request and will pick up guests on Raymond Plaza West (the street separating Newark Penn Station and the parking garage/New York Sports Club/Hilton Gateway hotel; exit through the door by the information desk and Dunkin Donuts). The shuttle will pull up in the four-lane *Stop & Go* zone on Raymond Plaza West. As the driver does not know who needs a pick up, please wave (or do something similar) to get his attention. Please approach the van once it has come to a complete stop.

CONTACT THE FRONT DESK AT (973) 622-1000 IF YOU NEED ADDITIONAL INFORMATION.
